

Dear parents and students,

Today at Jo Lane Middle School we were notified that a student has been arrested for the recent threat to Jo Lane Middle School. The student was not enrolled in Roseburg Public Schools at the time of the arrest. We appreciate the tireless efforts on the part of Roseburg Police Department and the Jo Lane staff to identify the student involved and bring this matter to a close.

At this time, we have no reason to believe there is an imminent threat. We are again asking parents to remind children and teens that making any kind of threat, even in jest, carries serious consequences. All of us at Jo Lane Middle School will continue to make student safety our top priority.
