

Dear South Lane School District Staff,

In response to the new report published by the Register Guard regarding our Superintendent, and the petition presented by SLEA, the South Lane School District Board of Directors wants to assure you that we are working to address the matter. We have been in touch with the Oregon School Board Association and are following the advice of legal counsel. We take this issue very seriously and will work in the best interest of district.

Our priority has been, and will continue to be, the students and staff of South Lane School District.

Thank you,

Alan Baas
Board Chair, South Lane School District
