

School Re-Entry and COVID-19 Mitigation Plan Vigo County School Corporation

Executive Summary

The Vigo County School Corporation's School Re-Entry and COVID-19 Mitigation Plan is a thorough, detailed plan and will evolve in response to COVID-19's spread. Please read the entire plan for more information on these main points.

Parent/caregiver survey data (>65% response rate):

We gave five potential scenarios, and parents/caregivers indicated their comfort with each.

Masking

62.7%

Comfortable with universal masking

53.7%

Comfortable with staff-only masking

44.3%

Comfortable with no masking

Learning

58.3%

Comfortable with hybrid in-person/remote learning

49.6%

Comfortable with remote-only learning

Highlights of plan:

A virtual school option for students who do not want to return in-person.

Symptom-based method for school exclusion, with at-home screenings.

Distancing of 6 ft. when possible.

Assigned seats on buses, masks, open windows, and distancing when possible.

Masking for students and staff when distancing not possible.

Enhanced sanitation procedures, accessible sanitizer, time for handwashing

This plan was developed through multiple conversations with each Vigo County School Corporation employee group and with guidance from the Vigo County Health Department and other local healthcare leaders.
