

VINCENNES LINCOLN HIGH SCHOOL

Homecoming 2020 Press Release

It is with a heavy heart that the VCSC, the Homecoming Coordination Committee, and the City of Vincennes inform you all that Lincoln High School Homecoming activities for 2020 will be canceled.

This decision was not taken lightly. With the restrictions on spectators and activities at high school sporting events, recommendations to avoid large gatherings, a large percentage of our classes already canceling reunions, and an increasing COVID-19 caseload in Knox County, we knew we would not be able to celebrate Homecoming the way we like to, and that is together.

While this is not an announcement we wanted to make, we know this is the best decision for our community, our school, and our classmates. Lincoln Homecoming is special, and it is special because of all the unique individuals that share a connection to the high school we all love.

While we will not have the traditional Homecoming festivities this fall, we will have homecoming for our current Lincoln High School students on Feb. 12, 2021, following a boys' basketball game. Homecoming is not just special for our alumni, but it is special for these students as well. We plan on having many of the similar school-themed events so that our current students can enjoy this experience and, hopefully, make memories along the way.

Our plan moving forward is to celebrate Homecoming next year on Friday, Sept. 17, 2021. We encourage classes that would be celebrating this year to celebrate with us next year.

There is just something special about Lincoln Homecoming, and we look forward to celebrating with you in 2021.
